

Our Lady Queen of Heaven School

Virtual School Offering 2020

With K12 Fuel Education Services

Deadline to enroll: Monday, August 3, 2020

Contact sstokeld@olqhs.org or call the school for enrollment information.

Product Overview

Catholic schools of the Diocese of Lake Charles have teamed up with K12 Fuel Educational Services, to provide families with an educational solution allowing them to remain enrolled in Catholic school while choosing a virtual educational model during the Covid-19 pandemic.

Virtual Education

All classwork is completed online and under the supervision of K12 Fuel Education teachers who are fully certified in the state of Louisiana.

Core Courses

All students in kindergarten through eighth grade are offered the required core curriculum including math, science, ELA/reading and social studies. The school will also provide access to an interactive theology program to meet the religion requirement.

Electives

Families may also choose up to two enrichment classes from art, music, P.E., computer science, or Spanish. *These electives are not required.

Details

- ❑ The virtual education program offered by K12 Fuel Educational Solutions will begin with live online classes on August 24th.
- ❑ Families will have a grace period of 2 weeks to determine if they wish to continue in the virtual classroom.
- ❑ Training for students and parents will be conducted by Fuel Education during the week of August 17th.
- ❑ Once enrolled in the virtual school, all student grades and attendance will be monitored by K12 Fuel Education Services and will be reported to OLQHS quarterly.
- ❑ In addition to K12 Fuel Education classes, all students will be provided with Theology instruction through the Faith and Life program entitled, “My Catholic Faith Delivered.”
- ❑ Families enrolled in the virtual school program offered by OLQHS will also be eligible to participate in school life activities including AR, IXL resources, STAR Reading and STAR math, support for sacramental preparation, athletics, student after school clubs, school masses with their parents, and student support and counseling services.
- ❑ Families remain enrolled with OLQHS and may return to school when ready.
- ❑ All costs for curriculum and instruction with K12 Fuel Educational Services are assumed by the school. Regular tuition rates apply.
- ❑ More information about our partners at K12 Fuel Educational Solutions is available at <https://fueeducation.com/course-list-cataloges/>
